**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am presently a Sonic Fiber user. Previously I use AT&T. They where extremely slow to respond to my needs and their internet speed was slow.

I am extremely satisfied with Sonic. They are just the opposite of AT&T. Their response to my needs has been extremely fast and helpful. My Internet speed is ultra-fast, almost 1 gigabyte/sec. I am a radiologist and need this high speed service to read studies in a timely manner. Plus their telephone service is much more versatile than AT&T.

Please do not allow any price hikes which will increase the price of my service or decrease competition.

Sincerely,

Bradley Bettinger, MD, FACR
